Channel Surfing

Channel Surfing

>By Martha McMahon, E. Bryan Rumph, and Cassandra Berg <p>The names have been changed to protect the innocent... sort of. I mean, if you can't match them to the writers... sheesh! All things copyrighted (which is most of the Fic) belong to those people who own them. We wouldn't _dream_ of infringing on their copyrights. Yeah, right. ;] <p>

(Mar-chan cracks knuckles and begin typing...)

Three bored, tired humans settled themselves down in front of the TV.

"I wanna watch Ranma!" quoth B-chan.

"I wanna watch the Olympics!" quoth Mar-chan.

"I wanna channel surf!" quoth Cur-chan.

"CUR-CHAN!"

"Sheesh."

"Let's watch both!"

"Umm... B-chan? Where'd you get the beer?"

"Umm, erm.... that

"Oh, okay." Mar-chan looks at Cur-chan and rolls her eyes. Cur-chan is clutching the remote and looking faintly possessed. "Die Evil

[Ranma, P-chan, and Moose the Duck are silloutes against a large, bad, movie. On screen a giant lizard is terrorizing a small western town.]

"Yeah! MST3K!!!!" Mar-chan does a dance of happiness.

"Isn't this a rerun?"

"They're _all_ reruns..."

"But.. but, I've only seen this one seven times!" Mar-chan develops large brown P-chan eyes (impressive considering her eyes are green.)

"Is it just me, or does that robot look like a pig?"

"Just you."

"B-chan what did you do to the TV?!?"

"Who says life isn't like beer commercials?"

"But this isn't my TV!!!!"

"Whoops."

"Not the Olympics _again_....."

"Maybe if we just locked her in the closet..."

"B-chan!"

"nevermind."

"Good, wait... what's with the Japanese Team? Isn't that Kodachi?"

[drool]

"B-chan!" [bapbapbap!]

"Hah! I have the remote!" Cur-chan develops a nasty battle aura, and laughs manically. Mar-chan and B-chan hide behind the sofa. "Let the surfing begin!"

"Great." mutters Mar-chan, "_now_ look what you've done..."

"No... that's the cabbit."

"Oh. Then the white one's the spunny?"

"No, that's Urd."

"Oh. She must be a Playboy bunny."

"EXCUSE ME!!!??"

"Maybe not."

"I sort of like the bunny theme."

"Perhaps you would like to reconsider?"

"Ummmm...."

[ZOT!]

"Ow." [thud] "owowowowowowowowowow!"

"Die Spunnies!" cried Skuld as she ran in from the bathroom. A startled looking Soun peeks around the corner.

"Rowf?" (Sign : Who was _that_?)

"I have no idea Saotome, is she.. IS SHE RANMA'S FIANCE!?!"

"rowf." (yipe!)

(The authors scatter as Urd lays waste to the surrounding furniture, Skuld deals death to the spunnies, and Soun demon-heads in the bathroom. And the FanFic stumbles to a close....)
